2023

Updated December 2022

MOTHERS' UNION SPEAKERS 2023

PLEASE NOTE:

1. Speakers from this list will claim their expenses from the diocese as they are covered by Mothers' Union subscriptions. Expenses for speakers not on this list should be paid by the branch.
2. When booking a speaker, please let them know that under charity law we are not allowed to make a donation from our funds to other charitable causes.
3. Please take care that your speaker's talk includes a Christian element and reflects the Aims and Objects of the Mothers' Union.
4. I've tried to make any amendments that I'm aware of but I'm also conscious that some of this information may still be incorrect, may yet become subject to change, and that, following the pandemic, some speakers may still feel a little anxious about committing to coming out to the branches. However I wish you luck and God's blessings as you try to navigate your way back to regular branch meetings. Sandra.
